

2.3.2. Teachers use ICT enabled tools including online resources for effective teaching and learning process (Write description in maximum of 500 words)

Every class room is well equipped with LCD projector, remote, desktop computer, cordless mic and speaker to enable the faculty to present the lectures and learning sessions. The sessions are conducted with the help of power point presentations and video lectures, motivating the students for active learning.

In addition to chalk and talk method of teaching, the faculty members are using the IT enabled learning tools such as PPT, Video clippings , Audio system, online sources, to expose the students for advanced knowledge and practical learning.

All the faculties use interactive methods for teaching. The major emphasis is on classroom interaction in terms of research paper presentations, seminars, debates, group discussions, assignments, quiz/tests/viva and laboratory works. College provide online library facility for faculties as well as student for enhancing their skills by e-consortium

The entire College premises and campus, including parking, cafeteria, hostel are Wi-Fi enabled.. Dedicated computer laboratory with latest softwares with internet connection has been arranged. Wi-Fi facility for access of internet is provided on student and faculty laptop and mobile devices throughout the campus premises. Firewall and other security is provided to Wi-Fi users and it is accessed and controlled by the system administrator.

INTERACTIVE TEACHING

Interactive teaching methodology is adopted to encourage the student's participation increases using multimedia tools and presenting demonstrations.

Peoples Empowerment Group

ISB&M Library, Pune
